Welcome to MLR Institute of Technology

Established in **2005**, MLR Institute of Technology (MLRIT) has emerged as one of Telangana's leading institutions committed to **academic excellence, innovation, and holistic development**. With a vision to nurture competent engineers and future-ready leaders, the institute has consistently upheld high standards in education, research, and industry engagement.

At MLRIT, learning goes beyond traditional classroom teaching. The institution adopts a **dynamic approach** that integrates strong theoretical foundations with hands-on practical exposure, encouraging students to think critically, innovate, and solve real-world problems. This balanced pedagogy has enabled graduates to excel in **information technology, core engineering sectors, research, entrepreneurship, and management**.

The institute is supported by a team of **highly qualified and experienced faculty**, modern infrastructure, well-equipped laboratories, and a vibrant academic environment. **Strong collaborations with industry and research organizations** further enhance students' exposure to emerging technologies and professional practices.

Driven by a commitment to quality and continuous improvement, MLRIT focuses on developing not just skilled professionals, but **responsible individuals with strong ethical values and a global outlook**.

At MLRIT, education is not merely about earning a degree — it is about **shaping minds, inspiring innovation, and building the leaders of tomorrow**.

Why Choose **MLRIT**

1. Cutting-Edge Industry-Aligned Curriculum.
2. Seasoned Faculty Backed by Strong Research Support.
3. State-of-the-Art Labs Equipped with Latest Software.
4. Internships and Real-World Project Exposure.
5. Events and workshops designed to equip students with essential 21st-century skills.
6. Comprehensive Placement Coaching and Career Mentorship.
7. Student Centric Teaching Pedagogies
8. Research and Innovation Driven Institute.
9. Seed Funding and Incubation Services for Student innovations and Startups
10. State of the art Indoor & Outdoor Sports Facilities with National reputed Coaches and Trainers.

Courses Offered

Eighteen accredited programmes across Undergraduate, Postgraduate, MBA and Doctoral disciplines — each designed with industry, recruited from globally.

UG Courses

- Aeronautical Engineering
- Computer Science & Engineering
- CSE — AI & ML
- CSE — Data Science
- Electronics & Communication Engineering
- Mechanical Engineering
- Electrical & Electronics Engineering

4 YEARS · BACHELOR OF TECHNOLOGY · INDUSTRY-ALIGNED CURRICULUM · JNTUH AFFILIATED

PG Courses · M.Tech

- Computer Science & Engineering
- Embedded Systems
- Thermal Engineering

2 YEARS · MASTER OF TECHNOLOGY · RESEARCH-DRIVEN COURSEWORK

MBA

- Finance
- Marketing
- Human Resources
- Entrepreneurship

2 YEARS · MASTER OF BUSINESS ADMINISTRATION · INDUSTRY MENTORSHIP

Ph.D

- Computer Science & Engineering
- Electronics & Communication Engineering
- Mechanical Engineering

DOCTORAL · FULL-TIME & PART-TIME · UGC-RECOGNISED RESEARCH

Hallmarks of Distinction

MLRIT is recognised, funded and endorsed by the Government of India and Indian innovation agencies for pioneering work in technology, research and industry-academia engagement.

Atal Community Innovation Centre

A government-backed innovation lab open to every MLRIT student — mentors, prototyping tools, and seed funding for student startups, all on campus.

Supported by
NITI Aayog

C2S — Chip-to-Startup Programme

One of only a handful of colleges in India selected for chip design education. VLSI lab access and MeitY-funded research fellowships for undergraduates.

Supported by
MeitY · Govt. India

Intellectual Property Facilitation Centre

An on-campus IPFC. File patents and protect your innovations while still a student — at no personal cost, with structured guided support.

Supported by
Ministry of MSME

First institution in India to receive a semi-humanoid robot

A working benchmark for next-generation engineering education. Hands-on humanoid robotics exposure unavailable anywhere else in the country.

In partnership with
TASK · AIRA

Livelihood Business Incubator

A seed-funded incubator backed by the Ministry of MSME. Turn an idea into a registered startup before graduation, with capital, mentors and a real runway.

Supported by
Ministry of MSME

NAAC Grade A Accredited & NIRF Ranked

NAAC Grade A accreditation for academic quality. NIRF Top 300 in Engineering and Top 50 in the Innovation rankings — among India's recognised technical institutes.

Unique Educational Framework

- Academic curriculum ensures that our students develop into well-rounded individuals – mentally, physically, emotionally, socially and culturally.
- The integration of multicultural learning opportunities are designed to give students more than just classroom knowledge, but also the tools to apply the knowledge in the real world.
- Industry collaborations and partnerships inspire the students to become globally competitive by developing 21st century skill set.

How to Reach Us

**NURTURING TALENT.
ENABLING EXCELLENCE.**

MLR INSTITUTE OF TECHNOLOGY (MLRIT)

MLRIT enjoys a prime geographical location with excellent connectivity by air, rail and road.

The campus is located in Dundigal, Quthbullapur Mandal, Medchal-Malkajgiri District, Hyderabad, adjacent to Outer Ring Road (ORR) Exit No. 5 (Medchal). This makes MLRIT easily accessible from all major parts of the city.

The institute is 20 kms away from Secunderabad Railway Station, 11 km from JNTUH (Kukatpally) and about 40 minutes drive from Rajiv Gandhi International Airport, Shamshabad.

How to get to MLRIT by Bus

Well connected by various bus routes from all over the Hyderabad / Secunderabad. The details are as under:

→ Bus No '230D' – It takes 60 min from Chilakalaguda / Secunderabad Bus Station. TSROC runs a total of 26 daily trips from Chilakalaguda towards Air Force Academy route.

→ Bus No '230X' – It takes 80 min from Kachigua Bus Station. TSROC runs a total of 6 daily trips from Kachigua towards Dundigal route.

→ Bus No '83J/230' – It takes 120 min from Kachigua Bus Station. TSROC runs a total of 6 daily trips from Kachigua towards Dundigal route.

→ Bus No '83M' – It takes 80 min from Secunderabad Bus Station. TSROC runs a total of 5 daily trips from CBS towards Dundigal route.

DIRECTIONS

Reach Balanagar X Roads –
Take the road towards Medchal / Narsapur
